Messenger: (in cuck-shed)

[Initiate Name], the time has come. We invite you to join us in the lodge. Ensure your inventory is empty, set your graphics to "moody," activate note block sounds, and wear your initiate armor. When you hear the bell ring for the third time, you may approach the lodge.

Worshipful:

It brings me great pleasure to announce that this meeting of the SpawnMasons has commenced.

All:

Hail Brothers.

DJ:

[Bell chime]

Worshipful:

At this time, please mute your microphones or use push-to-talk, put on your mascot to conceal your identity, and collect your masonic moon-stick and goat horn from the chest at the alter. Stand atop the pillars surrounding the initiation pool.

The day has come for us to welcome a new member into our family.

DJ:

[Bell chime]

Worshipful:

[Initiate name] seeks the light of our fraternity. He has proven himself honorable, trustworthy, and respectable. We recognize his value as both a player and a friend. And now it is time for him to become a SpawnMason and a brother.

So Mote It Be.

All:

So Mote It Be.

DJ:

[Bell chime]

[Initiate enters the lodge]

Worshipful:

[Initiate name], welcome. Please approach the alter and kneel in the pool of water, facing to the east.

DJ:

[Music Disc 13]

[Initiate does as he is told]

Worshipful:

Do you come here of your own accord?

Initiate:

Yes

Worshipful:

Do you come here without ill-intent?

Initiate:

Yes

Worshipful:

Do you wish to become a SpawnMason?

[If the answer is no, kill them immediately]

Initiate:

Yes

Worshipful:

So Mote It Be

All:

So Mote It Be

DJ:

[Stop Music]

Worshipful: *[followed by initiate]*

Repeat after me:

I [Initiate name],

Do hereby and here on swear,
and promise, to always hail,
forever conceal, and never reveal,
the secrets of SpawnMasonry.

If I do, I will be banished,
and excommunicated, and harassed severely,
in all avenues of life,

I furthermore promise,
to always help a brother in need.

That I will not harm or kill, another brother,
or disrupt Masonic gatherings.

So help me god.

Worshipful: *[Continue]*

Now that you have taken an oath of secrecy, we have but one final question for you:
Since you are in darkness. What is it you require?

Initiate:

Light

Worshipful:

Very well then. Brothers, please present your moonsticks to [Initiate name]

All:

[Place moonsticks to illuminate the room.]

Worshipful:

You have been brought from darkness to light, and are entitled to the secrets of the Spawn Masons
However, before we give you everything, it is custom that you give *us* a valuable item that you have
brought in with you. This will be donated to the lodge.

Initiate:

I have nothing.

Worshipful:

That is correct.

We put trust in you that you would come in with nothing. You, in turn, put trust in us to do no harm to you. Furthermore, you came in with nothing and yet we decided to accept you into our fraternity and to call you brother. Should a fellow brother ever come to you in the same state that you find yourself in now, (With nothing) you too must put your trust in him, take him in, and care for him to the best of your ability.

We have an ancient tradition to show you: it is the sign of a SpawnMason. (show them) This is called the Mason Shuffle. It can be used as a method for recognition outside of lodge. All who do it are SpawnMasons.

Now I will give you items so that you too may do the Mason Shuffle and present it to all brothers.

[Give a stack of Masonic Gapples and a totem]

Initiate:

[Mason Shuffle]

Worshipful:

Very good. Now that you have shown the secret signal of a Mason, you are worthy to remove your initiate armor. Please consume the fruit and prepare to have your clothes beaten off by the Spawn Masons.

DJ:

[Music Disc: Pigstep]

All:

[Beat the initiate off]

Worshipful:

Very good. I now invite everyone to blow horns in celebration as we welcome [Initiate name] to the SpawnMasons. Welcome, Brother [Initiate name].

All:

[Blow horns in celebration, post welcome in chat, smib, etc]

Worshipful:

You may return to the cuck shed and collect your belongings.

[Upon return...]

Worshipful:

Now that the initiation is over, we will proceed with our meeting as usual. When we meet, we discuss specific agenda points, but you can also give an update on what you've done since the last meeting, and bring up anything you'd like to discuss, or comment on something someone else has said.

[Meeting continues as usual]
